

AMERICAN Small Farm

Volume 14, Number 1

January 2005

CONTENTS

Features

Tender Container-Grown Raspberries Prove Profitable 5

Massachusetts grower William Hamilton made the accidental observation that a certain variety of tender raspberry, 'Tulameen,' produced an exceptional crop when it was left in cold storage over the winter and set out in the spring in a container.

The Pet Industry – Still A Growing Opportunity 8

Raising pet birds can be a profitable business. This is the second part of the information showing that America's love affair with pets continues to grow.

Polypay Equals Returns On Investment And Labor 10

Owners claim that Polypay sheep are ideal farm flock sheep and are profitable. Polypays were created in an attempt to create a dual-purpose breed that would maximize profits.

Meat Goats Offer A Very Bright Future 11

Goats offer a variety of products for human consumption. We think goats should be considered in the many small farm plans. This month we will look at the opportunities for meat goats.

Do You Need A Skid-Steer Loader? 12

Deciding on the right skid-steer loader for your operation can be mystifying because there are so many choices. This article gives you some ideas about what to consider when you are shopping.

Asparagus Can Be A Profitable Crop 14

Asparagus can be a worthwhile and profitable vegetable crop if growers are willing to follow good cultural practices and are able to find suitable market outlets.

Seed Selector Section

New Vegetable Varieties For 2005 18

Gardeners and farmers are looking for new plants every year. Here are new vegetables that will be featured in 2005 mail-order seed catalogs, seed packets and as bedding plants at garden centers.

Seed Source List For Home Gardeners 20

This is a list of companies that offer seeds through mail-order catalogs, retail stores, seed company retail stores or Web site sales.

Columns & Departments

Small Farm Talk 3

You may not be able to have the world's opportunities in the palm of your hand, but every month we try to help you search for profitable niches. This month we offer some ideas for micro-farms.

Homeland Treasures 16

Yolanda & Friends quilt patterns are featured.

Over The Fence 5

This column is a place for you to share and learn what is happening on family farms.

On The Bookshelf 22

Books that can help you do a better job and live the good life on your place in the country.

Recipes 26

You may not know this, but every month has several food themes. For instance, January food themes include: Soup Month, Oatmeal Month, Prune Breakfast Month and Hot Tea Month.

Calendar 30

Farm shows and events for learning and enjoyment.

Rural Reflections 31

These short, winter days and long, winter nights give us an opportunity to do something most of us do not do enough. Now is a good time to slow down, reflect on the past and plan for the coming months' projects.

About the cover

Liberty skid-steer loader from Town & Country, Ltd. with planned 2005 production, loading mulch from Olsen Country-side Farms, near Niles, MI. The Olsen's use an extensive composting process and sell the finished product to neighboring farms as a soil enhancement.
